TAYLOR PUBLISHING COMPANY
"The World's Best Yearbooks Are Taylor-made"
YEARBOOKS

The night has a thousand eyes

And the day but one;

Yet the light of the bright world dies

With the dying sun.

Mr. Gilbert, after 19 years of active service to North Robinson, is going to retire this year and take life easy. His sincere devotion, understanding, and unending patience have been invaluable to the students and teachers of the school.

Mr. Gilbert has directed the junior and senior bands in the music festivals, Spring Musicals, the Mardi Gras parades and many other concerts and social gatherings at the school during the past years.

His unending patience and understanding have won him many lasting friends among the students and personnel of the school. His schedule has been full of individual and group instrumental lessons and with those things that only a band director would know about.

"Mr. Gilbert, we, your friends, want to thank you for all the help and understanding you have given us and we wish you the best of everything in your future years of retirement."

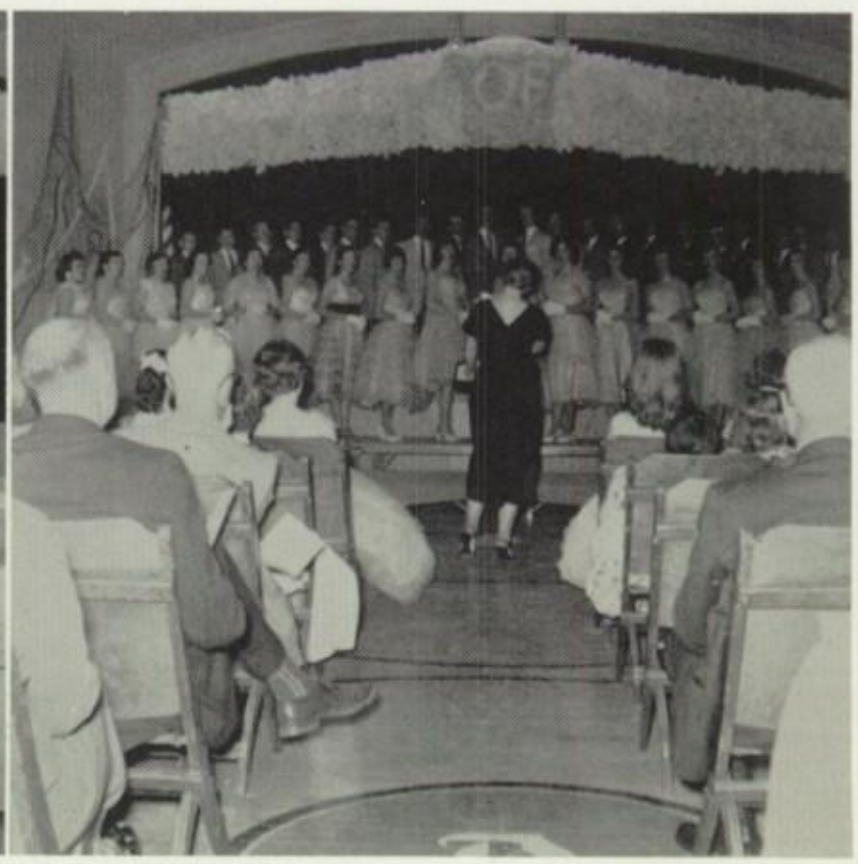
MIXED CHORUS



Play Day

The North Robinson G. A. A. invited nine schools to attend a Play Day. Each school was asked to send 18 girls to represent the school.

Many different activities were offered to the girls. The girls were divided into teams and each team got to try its luck at volleyball, badminton, basketball, tumbling and trampoline.

A light lunch was served to the visiting teams at the conclusion of the activities.

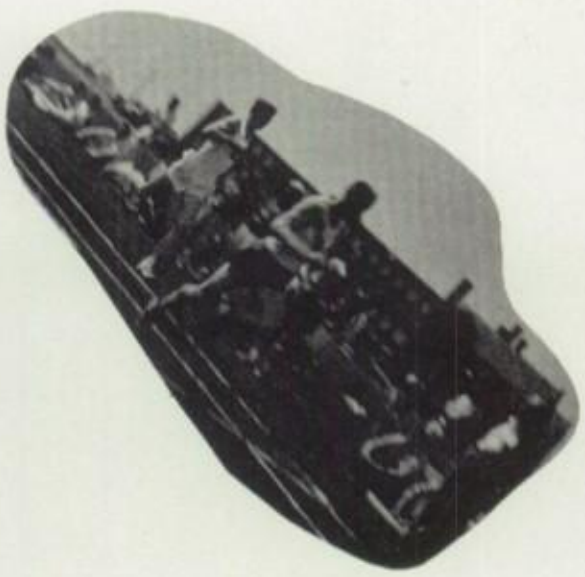
FIRST PLACE WINNERS

FIRST INVITATIONAL TRACK MEET

The First North Robinson Invitational Track Meet was considered a great success by all who viewed and participated. Although the competition was keen, North Robinson took fourth place. Plans are being made for the Second Invitational Track Meet next year, and if all goes well it will be an annual event. Many of the teams that entered this year stated that they would like to enter next year and the years to come.



Some of our track stars!

Right to left: Nancy Miller, Judy Worden, Phyllis Rinehart, Jane McFarland, Karen DeVore.

These five girls were chosen by the high school boys to present the trophies and medals to the first five place winners of the First Invitational Track Meet.

AL GROVE

North Robinson's pride and joy pole vaulter, Al Grove, entered the state finals on May 22, to bring home honor and the title of State Champion Pole Vaulter. Al's amazing 11 ft. 9 in. jump broke all previous records.

"Congratulations, Al, we're all very proud of you."
